

The Odori Park Nishi 8-chome site  
is a venue overflowing with ambiance

Tradition and novelty coexist  
within these costumes!

The city of Sapporo becomes a stage!

If you are looking to fully  
enjoy Hokkaido's early summer

# Then go to YOSAKOI Soran Festival!

YOSAKOI Soran Festival is a major festival in Sapporo/Hokkaido.  
Dancers in a variety of costumes put on powerful performances in the city  
center to arrangements of "Soran Bushi", a folk song  
that has been passed down in Hokkaido since long ago.  
The festival, which began in 1992, continues to gain momentum as time goes on,  
and has grown into a new culture in Japan blending tradition and innovation,  
attracting even international attention now.  
If you are in Hokkaido in early summer, please enjoy the YOSAKOI Soran Festival.

Fully enjoy food from all over Hokkaido  
at the Northern Food Park

At Waodori Square,  
visitors can jump in and join the dancing, too!
